

MONEY METER

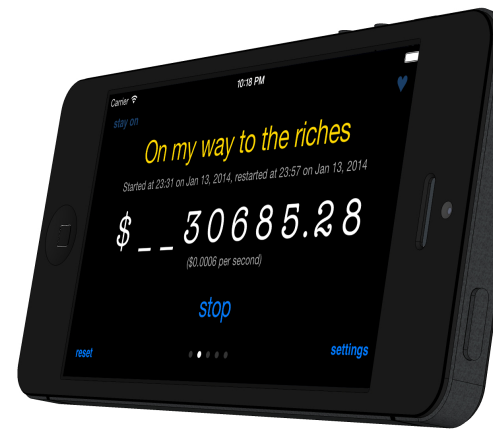

“WHAT IS A SECOND OF YOUR TIME WORTH?”

Jan 30 2014

ANT Group presents Money Meter for iPhone/iPad, its 8th App on the App Store. Money Meter measures your income with sub-second accuracy. Money Meter will convert your annual, monthly, weekly or hourly rate into a precise real-time clock. Use it as a motivational tool on your desk or to charge your customers. Or better, use it to learn how much you earn or spend while drinking coffee, checking e-mail or reading this press-release.

- Up to five meters running simultaneously
- Independent statistics for each meter
- Can account for various working hours per week
- Can track passive income or rent in non-stop mode
- Will keep track of time even if the phone sleeps or is turned off completely
- “Stay on” mode which prevents the device from sleeping
- A lot of funny, inspirational and motivational titles
- The basic version is FREE
- Available on the App Store now <https://itunes.apple.com/us/app/money-meter-income-counter/id789880881>

ANT Group was established in 2012 and its main speciality is financial, educational and math Apps, with occasional forays into productivity and entertainment. Our goal is creating simple and easy to use Apps with unique features. Being a small team, we are trying to find the right mix of sophistication and the ultra-rapid application development techniques. Our flagship product is an option trading study and reference tool, iOptioneer (<<https://itunes.apple.com/us/app/ioptioneer-study-option-strategies/id640082783>>).
